WALNUT VALLEY KIWANIS CLUB

President Richard Malooly invited Ray McMullen to lead us in our Pledge of Allegiance; Wolfgang Shane, our Patriotic Song; and Bert Brandt, this morning's Invocation. Today's guests included Jeffrey Washington, our speaker; Frank Cox, Diamond Bar resident; Dr. David Wu, local chiropractor; and Natalie, Diamond Bar resident and Vice President/Service of Circle K at UC Irvine where she is studying psychology and Spanish. Richard extended his appreciation once again to Trudy Brandt for organizing our move to Mimi's.

Richard thanked the Circle K members of Mt. San Antonio College, Pasadena City College, UC Irvine and Long Beach for working with us at the Concert in the Park on Wednesday evening. Trudy reported that we spent \$316.00 and raised about \$760.00. Richard suggested that we might add carnitas to the menu for next summer's concert and somewhere between the carnitas and also adding nachos, Richard fined Trudy for interrupting! Can you imagine that!! Richard also extended appreciation to all Club members who supported the event.

On Tuesday three parties from the Club participated in the trip to the Hollywood Bowl to hear the LA Philharmonic. Richard said the marimbas and percussion spent a half hour on one song and it was absolutely great! *** The Board of Directors Meeting will not be held on August 4 but move to the following week. Please let Richard know what night is good for you during the week of August 10.

The last DCM of Dave Wallach's administration will be held on August 20 at 6:00 p.m. at the Covina Bowl. This is Club History Night and we are also responsible for donating two gifts.

Bert announced that the Rowland High School Key Club will be visiting LaPuente-Industry's meeting on Tuesday, August 4, at noontime. Please sign up to join them for an Interclub. *** The Key Club's Officers training will be held at 4:00 p.m. on Friday, August 7. Can anyone join them?

Wolfgang Shane asked if any of us had a preferred topic for his talk next week. Since no one spoke up, Wolfgang himself will select the topic. Watch out! *** The *No Stinkin' Fines* badge was bought by Ray McMullen for \$112.00 as he and Nancy celebrate their 56th wedding anniversary on August 22.

Jeffrey Washington, Speaker/Facilitator/Trainer, from San Dimas spoke to us on "Effort is NOT a Four-Letter Word". Jeffrey has a Human Resources background following 11 years with So Cal Edison as a corporate trainer, member of the Speakers Bureau, and a motivational speaker. Jeffrey grew up in a foster care program, never met his parents until he was 35 years old, and attributes his success to always having a positive attitude. Following his presentation, Jeffrey selected a winning opportunity for Bert, but the Joker remained unseen. *** Hail, Kiwanis!
