

WALNUT VALLEY KIWANIS CLUB

President Don Ferderer invited Bert Brandt to lead us in our Pledge of Allegiance while Don Nettles encouraged us through our patriotic song and offered this morning's Invocation. It was reported that Richard Malooly was still off somewhere "looking for a casino". Ray McMullen and Aggie Kee were fined one dollar each for not wearing badges and Kate Hartwig was fined a dollar for arriving late.

Ray was spotted struggling through the door with a way over-sized trophy and something was mentioned about bowling! Turns out that Bert was displaying the trophy that he was presented at the recent Lt.-Governor's installation dinner - a trophy that encompasses appreciation for Bert as Division 35 Secretary of the Year, Newsletter Writer, and Webmaster. Trudy Brandt has relinquished her position as Division 35 Treasurer and will coordinate the 2010 Kiwanis One Day.

President Don announced that his 2009-2010 Budget passed at the Board Meeting held on Wednesday evening. The first DCM of the new year was held last night at the Covina Bowl. We will host the DCM on August 12, 2010; please note on your calendars.

A multi-divisional Key Club Regional Training Conference will be held on Saturday, October 17, at the AQMD from 8:00 a.m. to 5:00 p.m. A sign-up sheet for chaperones was circulated. Please sign up to spend some time with our Sponsored Youth if only for a few hours. We now have four Sponsored Youth Clubs - Key Clubs at Diamond Bar, Rowland, and Walnut High Schools and Circle K at Mt. SAC - totaling about 1,000 members. Please join in the fun.

We are looking for a President-Elect. Please contact Don Ferderer if you are interested.

Rowland Heights will not sponsor Buckboard Days this year so we will not be doing a Pancake Breakfast for that venue. There will be activity in the park, but there will not be a parade.

We will be participating in the Diamond Bar Winterfest in January 2010.

April Ellis, Customer Supplier Stakeholder Liaison for the Transportation Safety Administration at the Ontario airport, was our speaker today. TSA is a department of Homeland Security and April is the federal office "voice and face". Your best source of information for travel guidelines is TSA.gov. There is really nothing new as far as screening. Most complaints received are centered on the 3-1-1 rule. TSA prefer to term the disallowed carry-on items as "surrendered" rather than "taken"! Air traffic through Ontario is down considerably. Items "surrendered" to TSA are donated to the Hesperia School District.

April selected a winning opportunity for Larry McMillan, but the Joker was out of town again. ***
Hail, Kiwanis!
