

## WALNUT VALLEY KIWANIS CLUB

---

---

President Don Ferderer and members joined in the Pledge of Allegiance followed by Don Nettles leading us in both song and Invocation. Today's guests were Israel and Jasmine from Mt. SAC Circle K and our speaker Dirk Golden.

President Don quickly auctioned off the *No Stinkin' Fines* badge, but there the quickness ended! Back and forth, back and forth...a dollar raise, a 50-cent raise...back and forth, back and forth... Finally Rich Malooly threw out a bid of \$70.00 and he owned the badge! Now, I wonder what that number "70" is all about...

Aggie Kee will go out this week and purchase gift cards for the Club's pledge to the boys at Leroy Haynes this holiday season. In addition to the Club's allocation, Don Ferderer, Don Nettles, Manuel Baca, and Ray McMullen threw in additional cards at \$30.00 each. Renee Jackson will be back on December 11 for our presentation of the gift cards.

Wolfgang Shane reminded us that his office is sponsoring a Toys for Tots collection. Our generosity will be greatly appreciated in providing a new unwrapped toy next week.

Please note the following activities for our Christmas food distribution:

- Walnut High School will begin collecting canned goods in December.
- Don will know about a warehouse in early December.
- December 16: Pick up food from Walnut High School and sort that evening.
- December 18: Kiwanians sort turkeys and vegetables that evening - 6:00 p.m.
- December 19: Food Distribution.

Martha Valenzuela's brother suffered a stroke this week and we send out our caring thoughts to Martha and her family.

Israel reported that Circle K will sponsor a Christmas Dinner on December 15 at 6:00 p.m., probably at Pathfinder Park. Jasmine will confirm details next week and they hope that many of our members will be able to join them. They now have 35-40 consistently active members and are involved in many projects.

Rich reported that Isaiah's Rock served approximately 600 families for Thanksgiving with the assistance of about 200 of our Key Club members.

## WALNUT VALLEY KIWANIS CLUB

There will be a meeting of the Sheriffs Boosters Club on Monday at noon at the Golden Fortune to set out the foundation for the 2010 golf tournament. Rich and Ted will plan on representing our Club.

Ted Miller introduced Dirk Golden, Senior Account Executive for Kaiser Permanente Senior Advantage, a Medicare supplemental program. Dirk has worked for 13 years with Medicare and State programs. Medicare was established in 1965 by President Lyndon Johnson and Part A/Hospital is available to people 65 and older with a 10-year history of paying into the system. There is a premium for Part B/Medical and you must have A and B to join a Senior Advantage program. Part D covers Prescription Drugs and Part C/Choice ties to a private organization, e.g., Kaiser Permanente. Please contact Dirk or visit the Medicare or Kaiser websites for detailed information.

Following his presentation, Dirk selected a winning opportunity for Kate Hartwig, but Kate did not find the Joker.

*Hail, Kiwanis!*
