WALNUT VALLEY KIWANIS CLUB

President and First Lady Ferderer were off on a jolly trip to the heartland and Past President Richard Malooly presided at today's meeting. Richard took the lead in our Pledge of Allegiance and Larry McMillan guided us through our patriotic song, much to his chagrin. Richard offered this morning's invocation. Our guests and speakers today were Julie Bray-Ali, Chairperson Earth Sciences & Astronomy and Planetarium Coordinator from Mt. San Antonio College, and Larry Redinger, Dean of Natural Science Division at Mt. SAC.

We will be serving a Pancake Breakfast on Saturday morning, June 12, at Lorbeer School to kick off the Diamond Bar Relay for Life. We need many participants for cooking, serving, procurement, etc. Please review your calendars, make a commitment now, and please consider it a non-retractable commitment. Get your friends, coworkers, sons, daughters, former members, and friends to come out and help us. We are a SMALL club – this is a BIG undertaking! We will serve from 7:00 a.m.-10:00 a.m.

Richard, Mary and Don, and Aggie Kee attended the Installation ceremonies for the Mt. SAC Circle K on May 21. The members put on a great event and the food was enjoyed by all present. Representatives were also there from both Pasadena City College and Cal Poly/Pomona Circle K clubs.

Ted Miller formally introduced our speakers and Larry Redinger began by updating us on the Science program that has nine unique areas that include a Wildlife Sanctuary, Instrument Room, Museum, and Natural History Exploration Center. Julie Bray-Ali has been with the college for ten years and is very excited that the dome will go up in a few months on the new planetarium. The First Annual Fundraising Dinner for an Astronomy Scholarship will be held on Thursday, June 17, from 6:00-9:00 p.m. at the

Founders Hall. Tickets are \$65. per person with a Table Sponsor (eight seats) available for \$500. The speaker will be Dr. Robert M. Nelson, a 30-year staff member at JPL who has spent the last 15 years as an investigator on the NASA Cassini Saturn Orbiter Mission. Visit www.mtsacfoundation.org/events to complete a registration form and obtain payment information.

Following her presentation, Julie selected a winning opportunity  for Kate Hartwig, but the Joker was out running around!

Hail, Kiwanis!
