WALNUT VALLEY KIWANIS CLUB

(As reported by Bert Brandt)

Bert led us in our Pledge of Allegiance – or tried to lead – everyone started before he could finish his intro about the greatest flag of the greatest country in the world! Ray McMullen got us to sing a rousing, in-tune patriotic song. Don Nettles gave another fine invocation.

Brad Manning from the West Covina Kiwanis Club visited us this morning to update us on our **JUNE 4 TEXAS HOLD 'EM POKER TOURNAMENT**. With 1/3 of our active membership out of town, Brad helped us get our breakfast attendance up to 7. Brad talked about the fun he is having getting the State ABC Board, the Covina Police, and the Covina Planning Commission to approve their parts of our June 4 event. (Thank goodness he's paving the way for the Oct. 15 event for which we'll be the lead Club.)

See the attached flyer to know where & when to join us on June 4.

Bert confirmed that the club elections unanimously (less 1 no-response) elected the below slate for our Administrative Year 10/1/11 – 9/30/12:

Mr. Nettles (finally!) got in his program about how the Census 2010 results are going to cause the LA Supervisory Districts to re-organize (can you say, gerrymander?) to equalize the new population counts. Parts of Walnut & Rowland Heights that currently are in Gloria Molina's District may be added to Don Knabe's Supervisory District.

A good time was had by all!

Hail Kiwanis!

Looking forward...
