

KIWANIS CLUB OF WALNUT VALLEY

---Serving the communities of Diamond Bar, Rowland Heights, and Walnut

Members joining together for today's meeting were Don Ferderer, Aggie Kee, Don Nettles, Ray McMullen, Larry McMillan, and Richard Malooly. President Nettles invited Don Ferderer to lead us in our Pledge of Allegiance and Larry led us through our patriotic song. Aggie offered this morning's invocation. Our guest and speaker today was Saba Hafeez of the Insan Foundation.

At the beginning of this administrative year, Don Ferderer pledged to donate \$10.00 every time that he and Mary attend a motor home rally and he donated \$20.00 today to catch up. Larry owned up to the fact that this is his birthday month, but Ray was a little quiet on the subject.

President Don circulated a picture of his daughter Melanie Nettles performing a Quality inspection of the Mars Space Craft. All decked out in her clean room gear, we can only take Don's word that it was, indeed, Melanie.

President Don passed around a sign-up sheet for programs. Each of us will take a month (much like last year's presidencies!) and be responsible for obtaining at least one speaker for the month. If you can get a speaker for every week, you stand a good chance of being next year's President! Next week's speaker is Jean Kilmer, a docent at Schabarum Park.

Ray recapped the *Texas Hold 'Em* and called for suggestions on improvements for next year. Our share of the proceeds totaled \$2,032.50. See photos at the end of our bulletin.

President Don and Richard attended the planning meeting this week for the 2012 golf tournament with the Sheriffs Booster Club. The event will take place at San Dimas Canyon and to date we are in much better shape than this time last year. "Save the Date" cards will be posted in November.

***Diamond Bar High School Key Club
will treat us to breakfast at Millie's on
Friday, November 11, and conduct a
KEY CLUB TAKEOVER.***

Saba Hafeez spoke to us concerning the Insan Foundation. Insan (India) is a 45-year old nonprofit educational and humanitarian organization which offers academic programs and other needed services. Insan (USA) is a nonprofit organization dedicated to promoting innovative and creative ideas in education. Local projects include providing backpacks and school supplies for children in families struggling to supply the basic requirements for heading back to school.

A winning opportunity was selected for Don Ferderer, but the Joker was out at a motor home rally. *Hail, Kiwanis!*
