KIWANIS CLUB OF WALNUT VALLEY

---Serving the communities of Diamond Bar, Rowland Heights, and Walnut

Members joining together for today's meeting were Don Nettles, Ray McMullen, Enrique Sanqui, Larry McMillan, Aggie Kee, and Richard "Come Lately" Malooly (for which he paid a dollar fine!). Our guest and speaker today was Jean Kilmer, Docent for Schabarum Park. President Nettles invited Larry to lead us in our Pledge of Allegiance; Ray, our patriotic song; and Don offered this morning's invocation.

Marilyn Nettles visited Sacramento this week to see her painting hanging in the Senate Caucus Room and she allowed Don to go along with her. We won't tell Marilyn that Don commented that he had to go all the way to Sacramento to see a painting that used to hang in his living room! (Sorry, Don, you did not pay me to keep that out of the news!) Marilyn and Don were given a tour of Senator Huff's office and they only ran into about 20 million grade-school kids along the way!

Our next Board Meeting is scheduled for Wednesday, November 2, at 6:30 p.m. at the Remax office. All members are invited to attend.

It is with sadness that we report the passing of Trudy Brandt's mother Anna Hilda Hoffman this week.

Jean Kilmer, a former math teacher in West Covina, became interested in hiking, cycling, and bird watching following his retirement. Puente Hills Landfill Native Habitat Preservation Authority came into existence in 1994. Jean is active in their volunteer docent program and guides hikes for both the public program and local schools. The public hikes are held on the third Saturday of each month and the schedule rotates among the trails within the habitat. Please visit habitatauthority.com for detailed information. Diamond Bar has eight different fairly short trails, .5 to 1.5 miles, but they do contain good climbs, especially Sycamore Canyon.

Jean is a self-taught bird watcher – all you need are No. 5 binoculars and a book! He has identified 85 different breeds throughout the year. Jean shared a slide show of wonderful bird photographs and states you should also look for deer, ground and fox squirrels, skunks, raccoons, rabbits, and bobcats every now and then. Trail signs do warn of mountain lions.

***Diamond Bar High School Key Club
will treat us to breakfast at Millie's on
Friday, November 11, and conduct a
