KIWANIS CLUB OF WALNUT VALLEY

---Serving the communities of Diamond Bar, Rowland Heights, and Walnut

President Don Nettles welcomed Ray McMullen, Don Ferderer, Manuel Baca, Ralph Mendez, Larry McMillan, Enrique Sanqui, Richard Malooly, and Aggie Kee to this morning's meeting. Brad Manning from the West Covina Kiwanis joined us and our speaker today was Kim Catherina. Ralph led us in our Pledge of Allegiance with Larry guiding us through our patriotic song. Don Nettles offered today's invocation.

President Nettles paid a one-dollar fine in celebration of getting his bell back. Thinking that one of us had taken it, he tended to forget about it for several weeks. It was then discovered in the storage area at Millie's where it had been in safekeeping after being left behind from some long ago meeting. The fine as more a penalty for leaving it behind than a celebration for getting it back.

Don reviewed several upcoming activities. (Please see the Calendar.) Of special interest is the Diamond Bar High School Key Club General Meeting to be held on Monday, February 6, from 12:15 pm-1:00 pm in the Golden Horseshoe. President Don and possibly Ray McMullen will plan on attending to meet the incoming officers for the School Year 2012-2013.

The Texas Hold 'Em will be held on April 14 with the West Covina club taking the lead on this one. Brad advised that they lost their contact for free catering that evening and asked that we take the responsibility of providing the food and West Covina will split the costs with us. We will also be

responsible for providing door prizes for the evening. We received tickets to sell. Please do not just buy the tickets and hand in the money as a donation. **WE NEED THE PLAYERS.**

Kim Catherina recently graduated from chiropractic school and has joined a practice in Diamond Bar as a chiropractic intern. Kim reviewed various musculoskeletal causes for back and neck pain (sciatica the most common), changes caused by medications, etc. Sleep deprivation, stress, diet, posture, extra pounds can all be contributing factors to putting our bones, nerves, muscles, and soft tissue in need of extra attention.

A winning opportunity was selected for Brad Manning who could not locate the Joker. Brad donated his dollar back to the club. Thank you, Mr. Manning! *Hail, Kiwanis!*

IMPORTANT! IMPORTANT! IMPORTANT!
