Richard announced that on November 10 the Diamond Bar Community Coordinating Council will host a dinner and *Puttin' on the Ritz*. Tickets are \$100.00 each General Admission and \$50.00 each for non-profit organizations.

Thanos Trezos from the Edison Speakers Bureau gave a presentation on Electrical Safety. In addition to specific safety tips that are covered online, Mr. Trezos reminded us that SCE personnel never arrive at your door unannounced. With the new SMART meters, readers do not even come to your residence anymore. If an unscheduled representative shows up at your door, make him(her) wait until you call the company to verify their identification. Make sure that you have a C type fire extinguisher for your electrical fires and remember that it is required by law to have GFI's installed in all bathrooms and kitchens.

A winning opportunity was selected for Enrique Sanqui, but no Joker appeared. *Hail, Kiwanis!*
