THE WEEK'S MEETING EVENTS

Today it was good to see: One of our Club's Founding Members, Dandy Don (Kanga) Ruh, as well as GUEST (yes, a guest) Duane "Dude" Shepard, newlywed [2 years!] to the former Marlene Tweedie.

The most important event immediately announced was the Presidents' Election Committee to meet immediately following the regular meeting today (see the slate, right).

With Don Ruh in attendance, we had the occasion to sing "Oh! Little Liza!" (a Flashback to the Past). When Pres. Trudy announced we needed golfers, tee sponsors, and prizes for the raffle ("We have 32 prizes in our living room"), Don Ruh immediately offered some wine "that I've been aging in the garage for just such an event."

Don also gave the Club many thanks for the Club's support and efforts at the Mt. SAC-AAF Youth Days March 30-31. He also gave many thanks to the Walnut H.S. Key Club for their efforts, with 86 Key Clubbers giving their support.

Pres. Trudy circulated a sign up sheet for the **DB Birthday Party on Sunday, April 22nd**. With as many as 10,000 visitors, **We Need You to Help Out!**

Pres. Trudy also announced the Friends of the Diamond Library Wine Soiree was this weekend, on April 15.

She further announced that the Organ Donors Walk will be at Cal State Fullerton on April 28, to which guest Duane advised he wasn't yet done with his organs, so he wasn't ready to donate them.

The Chapman Awards are May 10, and we definitely need the Club's support to continue this great event, where we honor about 90 students at 7 high schools and award 8 scholarships.

Again, we remind everyone we need their support for the golf tournament, the biggest fundraiser for both our Club and the Sheriff's Boosters.

The end of the summer is the projected date for our **Special Guest Day [Membership Drive] so start thinking about names** of people you know or will meet that we need to invite so we can grow our club & do more for the community.

In the raffle at the end of the day, Bert's number was called, and he was the Joker, since he picked that card and won \$70. ("Now I can afford to take Trudy to a better birthday dinner than Denny's" – to which Don Nettles took offense since that's his favorite place to celebrate birthdays!)
