THE WEEK'S MEETING EVENTS

Today we relocated to the 6th floor meeting room, with the buffet in the room, and 8 members managing to find their way there.

It was good to see: Kate, Ted, Pres. Trudy, Bert, Gary, Don N., Ray, and Larry.

Our "official" program re-scheduled, so Don Nettles regaled us with tales of his cruise up the Columbia River, Snake River, through Hell's Canyon, etc. Although he discussed the wonderful oatmeal he had aboard the ship (it was not available at our buffet this morning), he expressed his opinion that a cruise costs lots more than you expected, even after you've paid for the trip itself. He still volunteered a fine of \$20 after explaining that the trip was NOT a Water Board Junket. Don also pulled out a page from the Reader's Digest and quoted several pearls of wisdom from it. He was a great impromptu program.

Pres. Trudy reported that we had a great Golf Tournament this past Monday, and that Ed Bischof won the raffle's grand prize of a 37" HD LCD TV with Frank Caplan's ticket (proving you should never leave too early.) Many thanks to the Club Members who assisted, plus the 11 Key Clubbers from both Walnut & Diamond Bar High Schools.

Pres. Trudy also announced that we've been asked to choose a Wednesday evening to run the food concession at the Diamond Bar Concerts in the Park, between July 11 and August 22. We need feedback from Club Members by this Friday.

Also by this Friday, Madame Pres. Would like to know if we can get a consensus from the members on hosting a Kiwanis Division Council Meeting on a Thursday evening, either July 19 or August 16.

Pres. Trudy said that we needed to get out & get going for the Diamond Bar Relay for Life benefiting the American Cancer Society on June 9-10 (9 a.m. to 9 a.m.). We are a founding sponsor of this great event. We will be providing a Continental Breakfast the morning of the 10th.

Bert's ticket was picked for the raffle, but the Joker didn't pick the Joker.

Giggle!

One day God was looking down at earth and saw all of the rascally behavior that was going on. So he called one of his angels to go to earth for a time. When he returned, he told God, "Yes, it is bad on earth, 95% are misbehaving and only 5% are not."

God thought for a moment and said, "Maybe I had better send down another angel to get a second opinion." So he called another angel and sent him to earth for a time too. When the angel returned he went to God and said, " Yes it's true, 95% are misbehaving, but 5% are being good."

God was not pleased so he decided to E-mail the 5% who were good because he wanted to encourage them and give them a little something to help them keep going.

Do you know what the E-mail said?

No?

Okay, just wondering. I didn't get one either.
