

Kiwanis Club of Walnut Valley – Kiwanis One Day Project

For the 23rd consecutive year, the Walnut Valley Club volunteered at the Mt. SAC Youth Days, this year working with some 6,800 children, grades 3 to 8, over 2 days, on April 4-5, 2008. Their Sponsored Youth Key Clubs from Diamond Bar and Walnut High Schools joined them both days, although on Friday it was after school had ended. Joining them this year, on Saturday, were the La Puente Industry Kiwanis Club and the Nogales High School Key Club.

At this annual event all competitors engage in 1 to 3 track and field events that teach sportsmanship and healthy, friendly competition, including awarding the “Spirit” Award to the team that best embodies support for your team, encouraging your fellow athletes and others, and in general, showing the good character expected of an athlete and his/her team. Over these 23 years, some 280,000 youth have competed in the Youth Days events.
