Speaker Highlights...

Amer Holmes, retired school psychologist with a law degree, is a member of the Diamond Bar-Walnut Chapter of the American Association of University Women. Amer highlighted their Speaking Competition for local high school students. State officials select the topics and students address the issue within a set time frame. AAUW feature monthly meetings; specialized interest groups, e.g., walking, lunches, and movie events; grants for seventh grade girls to attend Tech Trek, a science and math camp at Irvine; opportunities for developing friendships; and memberships in state and national organizations.

AAUW like to partner with other groups in community events and invite us to consider a joint event with them.
